NOVATION AGREEMENT

Project Performance Company, LLC ("Transferor"), a limited liability company duly organized and existing under the laws of Virginia, with its principal office in McLean, Virginia; Data Systems Analysts, Inc., ("Transferee") a corporation duly organized and existing under the laws of Delaware, with its principal office in Trevoese, Pennsylvania; and the United States of America ("Government") enter into this Novation Agreement (the "Agreement") as of September 15, 2017.

(a) The parties agree to the following facts:

(1) The Government, represented by Keith Johnson, Contracting Officer, has entered into a certain contract with the Transferor, namely contract HHSN316201200041W for Chief Information Officer - Solutions and Partners 3 (CIO-SP3) and applicable task orders as shown in the attached list marked "Exhibit A" and incorporated into this agreement by reference. The term "the contract," as used in this Agreement, means the contract and orders in Exhibit A, including all modifications, and orders made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders). Included in the term "the contract" are also all modifications made under the terms and conditions of the contract and purchase orders between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of September 15, 2017, the Transferor has transferred to the Transferee all of its rights under the contract and certain related assets by virtue of and in accordance with the Asset Purchase Agreement between the Transferor and the Transferee (the "Transaction").

(3) Subject to, and effective upon, the consummation of this Agreement, the Transferee has assumed all obligations and liabilities of the Transferor under the contract by virtue of the above Transaction.

(4) The Transferee is in a position to fully perform all obligations that may exist under the contract.

(5) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contract.

(6) Evidence of the above transfer has been filed with the Government.

(b) In consideration of these facts, the parties agree that by this Agreement--

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the contract.

(2) The Transferee agrees to be bound by and to perform the contract in accordance with the conditions contained in the contract. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the contract as if the Transferee were the original party to the contract.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contract, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the contract. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contract as if the Transferee were the original party to the contract. Following the effective date of this Agreement, the term "Contractor," as used in the contract, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contract, shall be considered to have discharged those parts of the Government's obligations under the contract. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the contract, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contract.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee-

(i) Assumes under this Agreement; or

(ii) May undertake in the future should this contract be modified under its terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contract shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.
